Brookfield Case Study

Location: Mumbai, India

Partner/Company: W & W Systems LLP

During an interior renovation of a 15-year old building, owner Brookfield desired a clean and durable finish to charm for decades. In collaboration with architect firm M Moser Associates, they selected Tedlar™ Wallcovering in the Mod Linen in *Pebble Grey*. Over 1,200 sq. ft of wallcovering was installed to the double height corridor of the main lobby area as an easy to clean and fade resistant solution. Brookfield is known for imparting a luxurious experience in their buildings that makes Tedlar™ Wallcovering an aesthetically appealing match.
