Marriott Courtyard Case Study

Location: Philadelphia, PA, United States

Partner/Company: EndureWalls™

The Marriott Courtyard Navy Yard in Philadelphia, PA is ideally-located along the water and is just minutes away from sports stadiums and all the action the city has to offer. During a recent remodel project, the hotel selected DuPont™ Tedlar™ Wallcoverings Mod Linen pattern in *Thunder Grey* for the hotel's café area, lobby, and hallways. Looking for a wallcovering that was beautiful but still durable for these high-traffic areas, they selected Tedlar™ Wallcoverings because it offers both. Additionally, the neutral and timeless color and pattern can easily evolve with any design changes over the years.
